Alice Johnson
Machine Learning Engineer | alice.johnson@example.com

Summary

Machine Learning Engineer with experience in deep learning, computer vision, and scalable model deployment.

Skills

Python, TensorFlow, PyTorch, Docker, Kubernetes, SQL, FastAPI, Git, Linux, Pandas, NumPy

Experience

ML Engineer at TechCorp 2021-Present

- Developed deep learning models using PyTorch and TensorFlow for computer vision.
- Containerized microservices using Docker and deployed on Kubernetes clusters.
- Built high-performance REST APIs with FastAPI and Python.

Education

MS Computer Science, Tech University
